Re: IFDAPAC Authorization Form

IFDA's Political Action Committee-IFDAPAC- is a key component in IFDA's continuing effort to increase the political involvement of the foodservice distribution community. Through IFDAPAC, foodservice distributors can help elect legislators who share our pro-business outlook.

In order to keep you informed about IFDAPAC's activities, federal law requires us to obtain your permission before discussing IFDAPAC with you. This merely means that you, the signer, will allow us to talk with you about IFDAPAC.

Please take a moment to complete and sign this form next to each year for which you would like to provide authorization and return it to IFDA. Contributions will be used in connection with federal elections. Your company may only authorize one trade association per year to solicit federal PAC donations. Contributions or gifts to IFDAPAC are not tax deductible.

IN ORDER TO KEEP YOU INFORMED ABOUT IFDA'S POLITICAL ACTIVITIES IN 2017 (AND BEYOND), PLEASE SIGN BELOW

I hereby authorize IFDAPAC to solicit **me and any eligible individuals I designate** regarding contributions, programs, special events and activities related to IFDPAC during the calendar year(s) indicated by my signature. I am entitled to share this information with the executives, administrative and professional personnel of my company if I so choose and, entirely at my own discretion.
