

The Darden School: COVID-19 Participant Requirements

COVID-19 Testing Requirement:

The University of Virginia (UVA) is requiring all Darden Executive Education and Lifelong Learning (EE&LL) participants to be tested for COVID-19 prior to arrival unless they meet the exemption requirement.

Exemption from Testing Requirement:

You will be exempt from the testing requirement if you meet either of the below criteria:

1. You will be at least 14 days post second/final vaccine at the time of your arrival for your program.
2. You have had a positive COVID-19 test in the last 150 days (and have been medically cleared from quarantine).

Mask Requirement and Safety Protocols at Darden:

1. All participants must wear a mask when indoors, except when eating meals, and while on any Darden-provided transportation. Unvaccinated participants are also required to wear masks outdoors when in the presence of others.
2. If you are exhibiting any symptoms consistent with COVID-19, do not come to class or program activities, notify your Program Manager of your absence, and you are encouraged to seek medical attention.
3. Regardless of your vaccination status, practice regular handwashing and hand sanitization.
